

## Request for Proposal

The Rural Municipality of Rosedale will receive proposals for the project to repair Road 100N between 92W and 93W. The location to be repaired is marked.

Specifications are as follows:

- Reshape ditches on both sides of 100N where it meets 92W, allowing water to drain into the culvert on the north side.
- Bring topsoil back onto backslopes and ditches
- Fill last 100ft of Road 100N (west end) to build up a low spot on the road with 100 yards of traffic gravel (supplied by the RM)
- Locates including MTS, Gas, Hydro, Cable, Oil, etc. are the contractor's responsibility
- **Completion Date: September 30, 2026** unless otherwise agreed to by the Municipality. A penalty may be applied at a rate of \$100/calendar day until the work is complete

All materials and supplies unless otherwise indicated to be supplied by the contractor.

The lowest or any proposal may not necessarily be accepted and the Municipality reserves the right to reject any or all proposals, to waive defects, or to accept and offer which may be considered in the best interests of the Municipality. The Municipality, in its entire discretion may reject or accept all or any part of the proposal or any of the proposals submitted under this proposal call. Completion of work is expected as per tender and quoted amounts. Overages will not be accepted unless approved in writing by the RM of Rosedale to performance of work and/or to additional materials. Notification must be provided to the RM office of the intended commencement date of repairs and expected duration as well as actual commencement date.

**RFP is due by Wednesday, August 5, 2026 at 4:00 p.m. They can be mailed, emailed or faxed to the address below. Any questions related to the specifications please contact the municipal office at 204-476-5414.**
