

Request for Proposal

The Rural Municipality of Rosedale will receive proposals for the project to repair Road 86W from 99N. The location to be repaired is marked.

Specifications are as follows:

- 700-foot ditch cleanout, west side to slope for drainage (to be determined by GPS and water flow).
- Install 24-inch diameter by 45ft long (culvert to be provided by the RM of Rosedale)
- Dug in, elevation with transit, north end 12-feet difference to lowest part
- Require excavator with GPS depth control level
- Require onsite meeting with Foreman and winning contractor; bidders may reach out during the bidding process
- Locates including MTS, Gas, Hydro, Cable, Oil, etc. are the contractor's responsibility
- Obtain water license is Foreman's responsibility
- **Completion Date: September 30, 2026** unless otherwise agreed to by the Municipality. A penalty may be applied at a rate of \$100/calendar day until the work is complete

All materials and supplies unless otherwise indicated to be supplied by the contractor.

The lowest or any proposal may not necessarily be accepted and the Municipality reserves the right to reject any or all proposals, to waive defects, or to accept and offer which may be considered in the best interests of the Municipality. The Municipality, in its entire discretion may reject or accept all or any part of the proposal or any of the proposals submitted under this proposal call. Completion of work is expected as per tender and quoted amounts. Overages will not be accepted unless approved in writing by the RM of Rosedale to performance of work and/or to additional materials. Notification must be provided to the RM office of the intended commencement date of repairs and expected duration as well as actual commencement date.

RFP is due by Wednesday, August 5, 2026 at 4:00 p.m. They can be mailed, emailed or faxed to the address below. Any questions related to the specifications please contact the municipal office at 204-476-5414.
